

There is no "safe" cigarette.  
Low tar and ultra low tar  
cigarettes are no exception.

Visit [philipmorrisusa.com](http://philipmorrisusa.com) for more information,  
including links to sites that can help smokers quit.

If you visit our website, you will find information about the serious health effects of smoking, quitting smoking, cigarette ingredients, how to talk to your kids about not smoking, links to public health authorities and more about our company, policies and positions. If you don't have access to the internet and would like more information, call 1-877 PMUSA WEB.
